G.C.I.T. Camp Away to a Good Start

At time of writing forty-four girls are registered in the annual G.C.I.T. Camp at the Bridge. Miss Mahoney of Calgary is directing the camp. Mrs. Campbell of Vulcan is camp mother and Mrs. Mackie is the genial cook. These are supported by a strong staff of leaders, Bassano, Vulcan, Gleichen, Blackie, Brant, Milo, Carmanray, Barrons, Farrow and Arrowwood are among the towns represented. Fine weather marked the first day of camp and they are away to a good start. On Sunday evening they are holding service at camp.

Visitors are invited to camp Sunday afternoon and to remain for the service at 7 p.m., which will be conducted by the girls.

Farewell Party for Mr. and Mrs. A. Harrison

A farewell surprise party in honor of Mr. and Mrs. Archie Harrison was held at the home of Mr. and Mrs. P. Arney on Saturday evening, last. A large crowd of young people gathered and a pleasant evening was spent by everyone. The evening was lived up to by John Brubaker and his Accordian. The young people will certainly miss Mr. and Mrs. Harrison and they wish them the best of luck in their new home.

Honored on Their Wedding Anniversary

On Saturday, July 7th, a number of friends gathered at the home of Mr. and Mrs. Ernest Campbell of Mossleigh, to celebrate the twenty-fifth anniversary of their wedding. They were married in Calgary and have the honor of being passengers on the first street car used in that city. On behalf of the friends, Mr. Reid, became made the presentation of a silver cake basket. Games provided the evening's entertainment.

The Plotures

The feature at Arrowwood Theatre this week is a baffling mystery, in a setting of New York's luxurious penthouse life with the most unusual and satisfying romance ever brought to the screen—Warner Baxter in "Foulhouse". Myrna Loy, Charles Butterworth, Phillips Holmes, Mae Clarke and C. Henry Gordon, also the eleven episode of "Phantom of the Air" and a comedy. Usual prices.

This leisurely and lovely city, more typical of Old-World restfulness than Canadian bustle, located in the heart of Canada's evergreen playground, is becoming more and more the Mecca of Canadians who, flying from the antipathies of the northern winter, have discovered that the Dominion offers climatic amenities for which in other years it was thought that Florida or California were the only solutions.

West of the Rockies and warmed by the Japan current, Vancouver Island presents some amazing contrasts with the rest of the Dominion. Winter climatic conditions are such that there are hundreds of hours of warm sun, shine with ideal temperature, minimum rainfall and conditions at once restful and health-giving. Canadian enterprise has been quick to see the advantages offered by Victoria for those who seek summer facilities and sports during the normal winter months. The city boasts one of the finest beaches of the Dominion, the Empress Hotel, overlooking the inner harbor and tree-shaded lawns; social centre and headquarters for varied sporting activities. These include golf on superb full length courses, tennis and swimming in the great salt water pool at the Crystal Gardens. At Christmas the pageantry of an "Old English Yuletide" is observed every year at the Empress with "Bringing in the Yule Log", "Bear's Head Party" and a ball on Christmas Night following dinner. There is specially selected music every evening during Christmas week and the New Year's Eve Ball is a famous institution at the Empress. From November 1 to the following April 30 there are special low rates in force.

What has specially drawn constant attention to Victoria, however, is the mid-winter golf tournament, an annual Empress affair to which many well-known and Europe are attracted. This season it will be played over the course of the picturesque Royal Colwood Golf Club from February 19 to 24, 1934. Events include the E. W. Beatty Challenge Trophy open to all amateurs playing under club handicaps; Men's Open Amateur event for the Victoria

Chamber of Commerce Trophy; Victoria Rotary Cup for ladies best gross; and the inter-district team match for the Watson Trophy. The E. W. Beatty Trophy event is divided into classes for both ladies and men. Dinner dances as well as other delightful entertainment are given every evening at the Empress during the competition, with the presentation of prize at a Grand Ball on closing night.

Motoring is always a delightful form of entertainment in Victoria. The famous Malahat drive, winding for miles through some of the finest scenery in Canada, offers facilities to motorists which make it justly internationally famous. There are many other worthwhile roads stretching beyond Victoria at the choice of the motorist. If a short run is desired, there is the friends run by palatial coast steamers between Vancouver, Victoria, and Seattle. The Canadian Pacific Railway offers a schedule of new low fares from all points in Canada east of the British Columbia-Alberta boundary, to Victoria, daily, from November 15 to February 28, with return valid April 30.

Baseball Notes

Our senior baseball team broke even in games played last week when they defeated a combined Milo-Queenstown team at Lake MacGregor Wednesday last, and lost to Strathmore Friday night on the local diamond.

The game at the Lake lasted only two innings when several disputed decisions with the umpire resulted in the culmination of the game. During the first two innings however Arrowwood were able to send runs across the plate to be leading 5-1 when the game ended. Rubbelke, pitching for the eastern club found it plenty hard to stop the hard hitting local team.

Arrowwood Danka, if, sharp, McCullough 25, M. Bowman 1b, Archambault c, Mackie rf, D. Bowman ss, Mason 3b, Sperline p. Queenstown—J. Rubbelke c, McLeod cf, Thompson 3b, A. Rubbelke p, Soli 1b, Palmer if, McLaughlin rf, Spokes 2b, Laid ss.

Friday night the Strathmore ball team paid a visit to Arrowwood and a small group of fans were on hand to witness one of the most interesting games played on the Arrowwood diamond this season. The locals lost by a one-run margin, but a rally in the ninth inning nearly put Arrowwood out in front. Cleaves pitching for Strathmore went the full route and yielded but 11 hits. Sperline worked in the box for Arrowwood and with the best of support which was deserved would have added another victory. Strathmore took an

early lead in the second and third inning and maintained this throughout the game. In the ninth inning Dunks singled and scored when McCullough made a three base hit. Melvin Bowman drove the ball to deep right field for a homer. Donald Bowman singled and advanced to second when Mason was hit by a wild pitch. Cary hit to score Bowman. Arrowwood scored 4 runs in this inning but were unable to send the tying run across the plate. Delbert Duncan playing with Strathmore startled the fans with his pinnacled shoe-string catch and his spectacular bunting.

General Conference of the Church of the Brethren

(All quotations are from the Ames Daily Tribune Times)

Smaller than usual, yet 4,000 or 5,000 people were present. That is the summary estimate of the attendance at the Church of the Brethren General Conference which convened at the Ames, Iowa, June 13-19. The Iowa State College proved to be an ideal place for such a great gathering. The campus is said to be the second in grandeur in the world.

President Hughes of Iowa State, in his address of welcome

A DIFFICULT CASE!

Heleok Homes: "Yes, yes, Watson, this is going to be a difficult case, but Canada is a large place. There must be some locality where there isn't an Atlas Tire Depot."

Doctor Watson: "But Homes, wherever there are roads, there are Atlas Tire Dealers!"
Heleok Homes: "Then it's elementary, my dear Watson—the only place we won't find an Atlas Depot is where there aren't any roads."

And the moral of this little play? The Atlas Tire Guarantee has Imperial Oil behind it—that means safety and immediate money good at thousands of dealers everywhere in Canada. Atlas Tires are priced RIGHT! Make RIGHT! Service RIGHT! We have your size.

made the remarkable statement that he had no place on the faculty for any but active Christians.

The long list of daily sessions began with breakfast meetings of various groups, at 7 a.m. From then until nine or 10 p.m. there was a continuous succession of sessions dealing with every phase of religious experience and service.

Professor Kermit Ely, Junior College teacher of Ann Arbor, Mich., thrilled and challenged large audiences on two different occasions by his scathing denunciations of imperialistic business enterprises and other inconsistencies which will "Call our bluff on pacifism." He called for an "Absolute stand against War." He especially denounced the attitude of United States toward Japan and China. He has travelled extensively through both these countries.

Although the Eighteenth amendment "Has been in the hands of its enemies and no real enforcement was attempted, yet great and universal good was derived from it." From Dr. F. F. Holosapple's burning denunciation of its repeal. Dr. Holosapple is a pastor in Washington, D. C.

The moderator of the conference business session was Dr. Otto Winger, President of Manchester College, Indiana. His usual vigorous style of presentation was at its best. "The church must make sure its members are actually converted. Every one of our church has too many folks in the membership who have never been converted. The more preachers refrain from preaching about the devil, the more active like the devil. It does not do much good for church members to talk about peace so long as they are guilty of selfishness which lies at the root of every war."

Dr. Winger continued, "I am opposed to the dance because great souls do not grow there. I oppose the movies because no other influence is doing so much to undo all that the church and the home are aiming to accomplish for youth. It is dangerous to retain my pride in the church to which I belong unless she puts on a real fight against sin and the devil."

"The church may be a life boat, but it is not a pleasure yacht. It may be a hospital for sinners, but it is not a morgue. The administration at Washington may pay farmers for loafing around instead

of raising crops, but that is not God's plan. Let us get into the fight."

A music program one hour in length was broadcast over WOI on Sunday afternoon. A feature of the concert was the singing of "Let a Gleam," with Prof. William Beery of Elgin, Ill., 83 year old writer of the song, as the guest conductor of this number. About 200 voices were in the great conference choir. The congregation of 3000 voices became a mighty choir for the singing of several numbers.

The broadcast program was arranged by Prof. A. F. Brightbill of Chicago. Prof. Brightbill will arrive in Arrowwood next week to direct a Young People's Camp beginning next Friday evening and lasting four days. Immediately following the camp he will direct the music and be guest speaker in the sessions of the District Conference which will convene in the church in Arrowwood.

No doubt Dr. A. D. Heller who pioneered in central Africa twelve years ago as a missionary was the most effective speaker of the Conference. His achievements are not limited to spiritual matters, but include education of primitive people, founding a leper colony and many other applications of practical Christianity.

The Conference missionary offering totaled \$42,804.15. Miss Ida Shumaker, a veteran missionary to India, and Rev. Desmond Bittinger, on his furlough from Nigeria in Africa, address at the great missionary convention.

Resolutions reaffirming the unqualified opposition of the Church of the Brethren against war and all militaristic activities on the part of governments against the liquor traffic, economic greed and questionable moving pictures, were adopted at the closing session of the 13th annual conference, on Iowa State campus Tuesday morning.

Here and There

S. S. Empress of Japan arrived at Victoria recently with one of the largest passenger lists in the past three years. There was a total of 877 from the Orient and Honolulu. The liner was also heavily booked for the westbound trip from Vancouver and Victoria.

Speaking at Toronto recently before members of the International Building Owners and Managers Association, E. W. Beatty, K.C., chairman and president of the Canadian Pacific Railway, doubled the wisdom of "low laborer planning" in national economic. Mr. Beatty did not think the present system of wages was wrong except in the "way in which it is applied."

The Canadian Pacific Railway will celebrate the fiftieth anniversary of the completion of its transcontinental line next year. It was November 7, 1885 that Donald A. Smith, later Lord Strathcona, drove the last spike at Craigellachie joining east to west and Atlantic to Pacific.

Hon. Charles A. Dunning, vice-president and general manager of the Beignault Club, Montreal, Quebec, has been elected a director of Barclay's Bank, Canada. The former Federal Minister of Finance was also president of the Ontario Equitable Life Insurance Company.

After one of the most remarkable and successful meetings ever held by a religious body, the Oxford Group left the Banff Springs Hotel for the East. Many of them sailed from Quebec by S.S. Empress of Australia for England. The next House party will be held at Oxford July 1-14.

Speaking at the Admiral Beatty Hotel, Saint John, Sir William Clark, British High Commissioner to Canada, claimed that the real source of Canada's troubles in connection with marketing agricultural produce lay in the economic expansion of agricultural production by industrial countries, especially some of the larger European countries which are normally importers.

Music, moonlight, glorious late breezes with 600 miles of sailing on the Canadian Pacific's Great Lakes ship Assiniboine, Keweenaw and Manitoba are at the disposal of passengers on the company's lines this summer at low cost. The offer promises to be very alluring to Canadians and visitors to the Dominion as well.

Quebec Province is alive with tales of celebrations and gala events this year marking the anniversary of some of the most memorable events in its history. Among them and the most important is the 400th anniversary of the discovery of Canada by Jacques Cartier in July 1534.

A Mediterranean-Africa-South America cruise in the 25,000-ton Empress of Australia, visiting 14 ports in the Mediterranean, Palestine, Egypt, East and South Africa, South America and the West Indies will be operated next winter. It is announced by the Canadian Pacific. The cruise will take 85 days.

ONE MAN Does the Harvesting with This New Steering Control

Now, with the John Deere Steering Control, you can operate both your tractor and your tractor-drawn binder from the binder seat. You have instant control of both machines—you are in position to observe the work of the entire outfit—you do better work, have less delay, speed up the harvest.

From your position on the binder seat you steer the tractor, control the throttle, and handle the clutch. Every operation is right where your eyes—all the levers and controls for both binder and tractor are within easy reach. Without turning around, you can watch the progress of the grain through the binder from outer line to bundle carrier. There's, binding attachment and in fact, every unit can be kept working satisfactorily, even in varying conditions. Bundle carrier can always be dumped at just the right time. Corners can be turned even more accurately and easily with this device.

The John Deere Steering Control is sturdy built of the best materials. It is well-braced and rigidly supported throughout.

Can be used on other John Deere Light-Running Binders or John Deere Tractor Binders of any size when used with the John Deere General Purpose or Model D Tractors. Investigate now.
